#### OBITUARY

Mrs. Alice Conlin Robbins passed away at the hospital Wednesday, November 12th, 1919. The funeral was held in the Presbyterian church at 2:30 o'clock Friday afternoon conducted by Rev. Thos. F. Barrier. The sermon was on Rev. 21:1. "And there was no more Sea." The interment was in the Liberal Cemetery.

Alice Conlin was born December 12th 1856 in New York City. Her parents moved to Greenfield, Ill., when she was quite young. There she grew to womanhood and was married to Martin H. Robbins in December 1872. To this union were born ten children, six of whom remain to mourn her loss. Soon

LIBERAL, KANSAS

after her marriage she removed to East St. Louis, where she resided until 1907, when she, with her family came to Beaver County, Oklahoma. In 1910 they moved back to Greenfield, Ill., where Mr. Robbins died, February 27th, 1912. As several of her children were living at Liberal, in 1916 she moved here to be with them.

Before her marriage she united with the Presbyterian church of Greenfield, Illinois. Though she transferred her membership to East St. Louis she had it taken back there and was a member of that church when she died.

She leaves William E., Frank N., Oscar E., Charles A. Robbins and Mrs. J. G. Dameron and Mrs. C. E. Waugh of Tyrone. Cecilia, Lucy May, George and Mary Jane preceded her to the Great Beyond.

Though she lacked several years of reaching her three score years and ten yet she had lived abundantly. She was a good mother giving the best of her life to her children. She was kind to those who were in trouble and was always ready to help the sick and suffering. Her life was a benediction wherever she lived. Her children deeply mourn her loss and do truly "rise up and call her blessed."

#### LORENA ITEMS

Red Cross Home Nursing to begin. Miss Anna Leonard, Red Cross nurse arrived here today from Chanute, Kansas to take up her work as instructor for the Beaver County Chapter of the American Red Cross in Home Nursing Classes. The first classes will be held at Beaver, but it is expected that all parts of the county will organize classes and avail themselves of this instruction which is free of cost to them. Mothers especially are urged to take up the work for to them, the household looks for care and protection during illness as in health. Those interested in this work should not fail to take up the matter of organizing classes and arranging for the instructor at once. General plans are for classes of not less than ten and not more than twenty. Members to meet perhaps three times a week and requiring two hours time for the class. Completion of the course fits one for home nursing but does not carry with it an obligation to nurse outside the home. This matter is one which all should be vitally interested for it may mean the saving of a life in your own home.

What would you give to save the life of one whom you see slipping away from you in death perhaps for the want of proper care during illness? What would you give to save the life of that infant or know how to care for it so that it might be rugged and healthy like other children? What would you give to know the right thing to do at the right time before the doctor comes when every minute counts for life or death.

You can learn all this in the Red Cross Home Nursing Classes and they are free of cost to you. Are you interested? If so arrange for a class in your community and write for further information to Miss Erma Crabtree, chairman of Nursing, Beaver, Oklahoma.—From Beaver Herald.

Do the mothers of the Lorena Branch want to take up these instructions? Let's get busy and organize a class at once. Information can be obtained from the chairman of Lorena Branch.

The Third Red Cross Roll Call time has been extended ten days.

The Juniors will take up the Health Crusade Work. W. L. Henrichson, County Superintendent is chairman. Teachers may get information from him in regard to the work.
